TERMS AND CONDITIONS

CANCELLATION , WITHDRAWAL, AND REFUND POLICY

STUDENT'S RIGHT TO CANCEL:

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. **A student may cancel enrollment by giving written notice to the college.**

Hollywood Career College's refund policy is as follows:

- 1.) If cancellation occurs within seven days after the date of enrollment, or before the first scheduled class session (whichever is later), 100% of all institutional charges shall be refunded, minus the \$250 application fee.
- 2.) If withdrawal or termination occurs after the commencement of classes, the student shall be charged according the last date of attendance. If withdrawal or termination occurs before the completion of 60% of the total class hours (300 hours), the student shall be entitled to a prorated refund of tuition. The College shall retain the application fee, book and supply fees, and any other legitimate charges owed by the student.
- 3.) If withdrawal or termination occurs after the completion of 60 percent of the total class hours, the student shall be obligated for the tuition charged for the entire program (the student shall not be entitled to any refund);

The term "tuition" means the charges for instruction including any lab fees. Tuition does not include application fees (\$250) or other identified program fees. It does not include materials costs, such as books and supplies. HCC does not issue credits or refunds for books or other supplies.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

When a cancellation, withdrawal, or termination occurs, a calculation of all allowable charges shall be made within 45 days. If the College has received total payments greater than its allowable charges:

All classes will be held at: 1552 N Western Ave., Los Angeles, CA 90027
(310) 800-3069 www.hollywoodcareercollege.com

- 1.) After the date of determination of such cancellation, withdrawal or termination, a written statement showing allowable charges and total payments received shall be delivered to the student, together with a refund equal in amount to dollar amount paid to the college in excess of those allowable charges.
- 2.) If the student has received federal, state, or other student aid or other tuition assistance program(s), including student loan programs, regulations governing refunds within the respective program(s) shall prevail, but only with respect to the covered portions thereof.
- 3.) In the event payments to a student account are derived from a sponsoring public agency, private agency, or any source other than the student, the statement of charges and payments received together with an appropriate refund may be delivered instead to such parties, but only with respect to the covered portions thereof.

In the case of a disabling illness or accident, death in the immediate family or other circumstances beyond the control of the student that causes the student to leave school, the college shall arrange a prorated tuition settlement that is reasonable and fair to both parties.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- 1.) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- 2.) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.
